POLO GROUNDS, NEW YORK, June "Will the Giants get the rubber?" was a question which was asked many times by the incoming spectators at these grounds this afternoon, when the New Yorks and Pittsburgs met to decide the third and last game of their first

The best attendance by far in weeks was that of this afternoon, and the Giants were rooted for in masterly fash-ion. Perhaps 6,000 spectators were presint when, at 3.30-the new time of play suggested by "The Evening World"—the game began. The teams were placed and batted in this manner:

Pittsburg. Smith, lf. Donovan, rf. Beckley, lb. Stenset, cf. Lyons, 3b. Glasscock, ss. Bierbauer, 2b. arrell, c. Busie, p. N. Stage.

"Clinkers" began operations First Inning.-Vigorous kicking began t once, showing that the game was sure to be a battle royal. Ward asked that to order Donovan to remain seated on the Pittsburg players' bench until his turn to bat. Stage did so, but Donovan refused to move. When things began to look serious Donovan decided to sit down, but demanded that "Shorty" Fuller be seated on the New York bench, which Stage likewise did. Smith then lifted a line fly to left, which Burke grabbed. Donovan basted a cuckoo back of third to short left, and Burke could only get it on the bounce. It allowed Capt. Donovan to rest at first and he made a capital steal of second. Duke Farrell throwing two feet over Murphy's head. Beckley slapped out a ricocheting bounder which jumped were Burke, head, and Donovan. re to be a battle royal. Ward asked out a ricocheting bounder which jumped up over Burke's head and Donovan scored. Beckley made second on this chasseying bounder. Murphy did a katning sprint after Stenzel's high fly ck of third base, and the Tot got beath it just in time. Lyons punched a ng deep fly which slammed kerplunk rainst the seats of the Coxey army in Burkeville, and Beckley crossed the plate with ease. Lyons made two bases on the biff. Glasscock fouled out. Two runs.

on the biff. Glassoock fouled out. Two runs.
Nicol either couldn't or wouldn't toss tham over the plate for Murphy and the little chap got first on balls. Nicol was then summarily called from the pitcher's box and replaced by Ehret. But Ehret sent Burke to first on balls. Then the crowd howled ironically for another pitcher. Davis likewise walked down to first on four "way off" ones. Nicol, the decapitated one, smiled grim. Then Jack Doyle made a hero of limself. He banged at the first ball "Red" pitched and it went by the ropes at the lower end of Burkeville in left field, clearing the bases and landing himself on third.
Oh, but those were julcy runs, and perhaps Buckenburger, of Sootburg,

Oh, but those were julcy runs, and perhaps Buckenburger, of Scotburg, wasn't filled with ennul. He changed filed to Smith. Van Haltren soaked one of Shret's straightest to right centre, and scored Doyle.

inning was over, sure enough. Only six runs.

Second Inning—Bierbauer filed out to Tiernan. Sugden filed out to Van Haltren. Ehret slapped a loam-trimmer hard to Doyle, who made a glorious stop, and ran across the bag putting "Red" out unassisted. No runs.

Burke fouled out to Sugden. Davis hit a neat one to right and made first comfortably. Doyle filed to Bierbauer.

Ward lined the ball out this time and no mistake. He lifted a low one to right and Davis reached third while Capt, John made two bases. Van Haltren base on balls, just the same as when Tlernan went to the bat before. He filed to Bierbauer. No runs.

Third Inning—Smith an easy out, Ward to Doyle. Donovan, base on balls. Beckley filed to Burke. Stenzel hit to Murphy, who threw to Doyle, but the ball went high, and Jack had to jump off the bag for it. Donovan, emboldened by this, started for third, when he was eleverly thrown out by Doyle to Davis, who made a great catch of Jack's long throw. No runs.

Lyons made an error in handling and throw the part is not a supplied to be better throwing Farrell's easy this and the bast.

Farrell got to third and Rusic to second. Burke filed to Smith but that didn't prevent Farrell from piling in a run. Davis foul filed to Beckley. One run.

Sixth Inning—Beckley flied to Tiernan. Stensel was hit by a pitched ball and walked to first. He reacned third on Lyons's single to right, and scored on Glasscock's single, which jumped up over Doyle's head. Lyons reached third and Glasscock got to second. On Blerbauer's rapper for a base to right Lyons and Glasscock scored. Sugden foul-filed to Davis. Ehret out, Ward to Rusie. Three runs.

Burke filed to Stenzel. Davis made a clean circuit of the bases on his long drive nearly to the left field ropes. It was good only for two bases, had Sugden and Smith fielded decently. Doyle got to first on his hard grounder to Glasscock, which the latter fumbled. Ward filed to Bierbauer. Doyle stole second neatly. Wan Haltren filed to Sugden. One run.

Seventh Inning—Smith filed to Murphy. Donovan singled past second. Beckley, base on halls. Stenzel filed to Ward. Lyons, base on balls, and filling the bases. It looked ticklish for New York now if a hit should be made. It wasn't made, though. Glasscock hit a bounder to Doyle, who threw Glasscock out to Rusie, covering the base. No runs.

Tiernan out, Bierbauer to Beckley, Farrell out, Lyons to Beckley, Rusie struck out, the first man to do the trick this afternoon. No runs.

Eighth Inning—Bierbauer out, Ward to Doyle, Sugden struck out. Ehret hit to Ward, who fumbled and threw wildly past Doyle, enabling Red to reach second. It began to rain a bit and theorowd loaded themselves into the field. Smith flied to Murphy. No runs.

Murphy to base on balls, and as the ball passed clear by Sugden. Tot made second on it. Murphy turned his ankle or sprained his right leg on the run, and Fuller was called in to take his place.

Special to The Evening World. BROOKLYN, EASTERN PARK, 16.—The blue Ell' and the banners of bold flaring orange and black pennants 'Old Nassau' flapped in the breezes from Jamaica Bay at this field to-day when the teams from New Haven and Princeton met to decide the intercollegiate baseball championship.

The game served to attract a gathering that approximated 8,000 or 10,000. It was a handsome assemblage, too, for the gentler sex was plentifully represented, and the ladles were garbed in their most modish gowns. The enthusiasm prior to the game was characteristically collegiate, and it is always in evidence in contests where undergrads compete, be they football, baseball, row

and tallying on Redington's single. Two runs.

Seventh Inning—Princeton was easily disposed of, only one man, Otto, getting as far as first. No runs.

Altman replaced Bradley in the box. He was rather wild at first, sending Case to first on balls, and hitting Stephenson with the ball, but then he settled down. Speer singled, filling the bases, but the side was retired without scoring. No runs.

Eighth Inning—Brooks filed out. Williams singled, but was caught off second by Greenway, and Gunster fouled out. No runs.

AN AFTERNOON STORM.

The Pleasant Day Terminates with an Unexpected Thunder Gust.

A black thunder-cloud loomed over the

reation, according to the promise held out by the present weather. It is a little warmer than yesterday, but not uncomfortable.

At 8 A. M. the mercury here scored 86 degrees, four points higher than at the corresponding hour yesterday. At Boston it was 76; Philadelphia 65; Erie. 78; Cleveland. 76; Chicago, 70; St. Louis. 76; Albany. 72; Cincinnati, 74; Issuisville, 76; New Orleans, 76.

It was generally fair everywhere east of the Missiasippi. There were showers during the night over most of the States beyond the Missiasippi and the lake regions. It was still warm over the central valleys and the lakes, although a reduction in temperature was marked. It is cooler in the Northwest.

All these conditions point to fair and moderate weather here for to-day and to-morrow.

TRACK, MORRIS PARK, June 16. - Every inch of the journey to the track to-day was torture to the crowd that went up to attempt to wrest a few dollars from the bookmakers. The trip was made in about the usual time, but it seemed hours from station to station, where only minutes were consumed, so great was the heat.

There was no relief even after reaching the track, for the wind blew from its accustomed quarter, west, and very little of it reached the perspiring occupants of the grand stand.

A representative of the Associated Press boarded Vigilant and was most cordially received.

After showing the Associated Press representative the log of the days' runs, which was 88, 222, 133, 117, 247, 212, 243, 230, 211, 133, 256, 158, 197, 150 and 246, Capt. Jeffrey said that the iceberg which he passed was two hundred feet high and two miles long.

The Vigilant sailed quite close to it and all on board considered it to be the finest spectacle from ever witnessed.

Capt. Jeffrey thinks that this iceberg was the one which the Anchor line steamship Exiopia collided with.

Vigilant formed a beautiful picture, as with Old Glory fing majectically from her jigger, she sailed up the fire-tug the Clyde. Her sails were all set, and the American yacht how:ed along.
